

Newsletter Spring 2 2017

Extra edition

Hello all, so much is happening I have written a second newsletter for the term!

Ofsted

On Tuesday 14th March we had an Ofsted inspection which is the first one since 2012! The full report is available to view on our website. The main outcome was that we were graded good. This is a fair judgement for Edale and it reflects the excellent provision for all of the children and the amount of care each child receives. Thank you to all of you for your support and positivity towards this school.

Staffing

In the previous letter I talked about our new deputy starting and Miss Poultney (short-term deputy support) leaving.

I can now confirm additional changes as follows:

Mrs Cook has handed in her resignation and leaves us at the end of April. She is still ill at the moment but may come in during April if she feels better. I am sure I can speak for everyone when I wish her well for the future. Mrs Barker will continue to teach the Year One children during the summer term.

In year five, Mrs Grimshaw will continue to teach the children but Mr Crosby, our new deputy, will also teach them for the first part of the week. Mr Crosby is an outstanding teacher and will be a great addition to our year five teaching team. Mrs Gibson is still ill and I will inform you of any changes.

Parking

If any parent sees a car parked on the yellow lines outside school at the start or end of the school day please inform the office staff of the make, model and number plate. We have a contact phone number for a local police officer who will be informed.

Easter holiday events

EPIC Community games 11th, 12th & 13th April 10am-3pm at King Edwards Park for children aged 8-12 years.

Charity fundraising

Mrs Perrin, Miss Grimshaw and Mr & Mrs Bilsbrough are climbing Mount Snowdon at midnight on June 23rd. We will be putting out a bottle in reception that we hope to fill! All donations are going towards the Alzheimers Society to help those people who suffer with various dementia illnesses. Mrs Bilbrough's step dad suffered with this and you can read about his story or donate at on the following website:

They would really appreciate your support to reach their target of £1600
